Part I — Complete Continuous Bilingual Edition (Original Vocalized Arabic & Author-Voice Translation)

1. Original Vocalized Classical Arabic Text (النص العربي المشكول الكامل — Page 43-8514):

القول في تأويل قوله تعالى: ﴿تِلْكَ مِنْ أَنْبَاءِ الْغَيْبِ نُوحِيهَا إِلَيْكَ مَا كُنْتَ تَعْلَمُهَا أَنْتَ وَلا قَوْمُكَ مِنْ قَبْلِ هَذَا فَاصْبِرْ إِنَّ الْعَاقِبَةَ لِلْمُتَّقِينَ (٤٩)﴾

قال أبو جعفر: يقول تعالى ذكره لنبيه محمّد ﷺ: هذه القصة التي أنبأتك بها من قصة نوح وخبره وخبر قومه = (من أنباء الغيب) ، يقول: هي من أخبار الغيب التي لم تشهدها فتعلمها (١) = (نوحيها إليك) ، يقول: نوحيها إليك نحن، فنعرفكها = (ما كنت تعلمها أنت ولا قومك من قبل هذا) ، الوحي الذي نوحيه إليك، = (فاصبر) ، على القيام بأمر الله وتبليغ رسالته، وما تلقى من مشركي قومك، كما صبر نوح = (إن العاقبة للمتقين) ، يقول: إن الخير من عواقب الأمور لمن اتقى الله، (٢) فأدَّى فرائضه، واجتنب معاصيه، فهم الفائزون بما يؤمّلون من النعيم في الآخرة، والظفر في الدنيا بالطلبة، كما كانت عاقبة نوح إذ صبر لأمر الله، أنْ نجَّاه من الهلكة مع من آمن به، وأعطاه في الآخرة ما أعطاه من الكرامة، وغرَّق المكذبين به فأهلكهم جميعهم.

وبنحو الذي قلنا في تأويل ذلك قال أهل التأويل.

*ذكر من قال ذلك:

١٨٢٥٩- حدثنا بشر قال، حدثنا يزيد قال، حدثنا سعيد، عن قتادة قوله: (تلك من أنباء الغيب نوحيها إليك ما كنت تعلمها أنت ولا قومك من قبل هذا) ، القرآن، وما كان عَلم محمدٌ ﷺ وقومه ما صنع نوحٌ وقومه، لولا ما بيَّن الله في كتابه.

2. Complete Scholarly English Translation in Imām al-Ṭabarī's Voice (الترجمة الإنجليزية المحققة الكاملة):

The Discourse on the Exegetical Interpretation (Taʾwīl) of the Statement of the Exalted:)That [narrative] is from the momentous tidings of the Unseen which We reveal by inspiration unto you [O Muḥammad]; neither you nor your people knew it before this [Qur'an]. So persevere patiently; indeed, the blessed final outcome belongs to the God-conscious (49)(.

Abū Jaʿfar [Imām al-Ṭabarī] said: The Exalted—Glorified is His mention—declares unto His Prophet Muḥammad ﷺ: This narrative which I have informed you of—concerning the story of Nūḥ (Noah), his account, and the account of his people—is (from the momentous tidings of the Unseen), meaning: it belongs to the hidden accounts of the Unseen which you did not witness in person such that you could know them thereby [1]; (We reveal it unto you), meaning: We Ourselves reveal it unto you by inspiration and thereby make it known to you; (neither you nor your people knew it before this), meaning: before this revelation which We inspire unto you; (So persevere patiently) in steadfastly upholding the command of Allah, conveying His message, and enduring the harm you encounter from the polytheists of your people, just as Nūḥ persevered patiently; (indeed, the blessed final outcome belongs to the God-conscious), meaning: indeed, the ultimate good in the final outcome of affairs belongs to whoever fears and is mindful of Allah [2], fulfills His obligatory duties, and shuns disobedience to Him—for they are the triumphant ones who attain the eternal bliss they hope for in the Hereafter and victory in their quest in this world, just as the final outcome for Nūḥ, when he persevered patiently for the command of Allah, was that Allah delivered him from destruction along with those who believed in him, granted him in the Hereafter what He granted him of honor and noble station, and drowned those who denied him, utterly destroying them all together.

* * * [Exegetical Transition from Analytical Deduction to Transmitted Authority (Ahl al-Taʾwīl)] * * *

And in full accordance with what we have established regarding the exegetical interpretation of that, the authoritative scholars of exegesis (Ahl al-Taʾwīl) have spoken.

Citation of those authorities who stated that:

Report #18259 — Bishr [ibn Muʿādh al-ʿAqadī] narrated to us, saying: Yazīd [ibn Zurayʿ] narrated to us, saying: Saʿīd [ibn Abī ʿArūbah] narrated to us, from Qatādah [ibn Diʿāmah], regarding His statement:)That is from the tidings of the Unseen which We reveal unto you; neither you nor your people knew it before this(: [meaning before] the Qur'an; for neither Muḥammad ﷺ nor his people would have known what Nūḥ and his people did, were it not for what Allah made clear and expounded in His Book.

Part II — Complete Line-by-Line Parallel Scholarly Edition (All 8 of 8 Lines)

Line 1 of 8 • Authorial Discourse Role [al-Ṭabarī]: Canonical exegetical opening framing the Qur'anic verse as the governing evidentiary axis.

القول في تأويل قوله تعالى: ﴿تِلْكَ مِنْ أَنْبَاءِ الْغَيْبِ نُوحِيهَا إِلَيْكَ مَا كُنْتَ تَعْلَمُهَا أَنْتَ وَلا قَوْمُكَ مِنْ قَبْلِ هَذَا فَاصْبِرْ إِنَّ الْعَاقِبَةَ لِلْمُتَّقِينَ (٤٩) ﴾

So persevere patiently; indeed, the blessed final outcome belongs to the God-conscious (49)(.

Line 2 of 8 • Authorial Discourse Role [al-Ṭabarī]: First-person analytical elucidation ('قال أبو جعفر') wedding each Qur'anic phrase ('=') to its exact philological and theological intent.

قال أبو جعفر: يقول تعالى ذكره لنبيه محمّد ﷺ: هذه القصة التي أنبأتك بها من قصة نوح وخبره وخبر قومه = (من أنباء الغيب) ، يقول: هي من أخبار الغيب التي لم تشهدها فتعلمها (١) = (نوحيها إليك) ، يقول: نوحيها إليك نحن، فنعرفكها = (ما كنت تعلمها أنت ولا قومك من قبل هذا) ، الوحي الذي نوحيه إليك، = (فاصبر) ، على القيام بأمر الله وتبليغ رسالته، وما تلقى من مشركي قومك، كما صبر نوح = (إن العاقبة للمتقين) ، يقول: إن الخير من عواقب الأمور لمن اتقى الله، (٢) فأدّى فرائضه، واجتنب معاصيه، فهم الفائزون بما يؤمّلون من النعيم في الآخرة، والظفر في الدنيا بالطلبة، كما كانت عاقبة نوح إذ صبر لأمر الله، أنْ نجّاه من الهلكة مع من آمن به، وأعطاه في الآخرة ما أعطاه من الكرامة، وغرّق المكذبين به فأهلكهم جميعهم.
